Submit application to: Mesquite Heart Board: AED Grant, PO Box 3055, Mesquite, TX 75185.

Any applicant (receiving agency or institution) selected for an AED Grant from the Mesquite Heart Board agrees to the following terms and conditions upon receipt of the Grant AED. Terms & conditions:

- The agency/institution shall implement an Emergency Medical System (EMS) activation protocol for Sudden Cardiac Arrest (SCA) emergencies occurring at the location where the Grant AED is located.
- The agency/institution shall review its Emergency Medical System activation protocol for Sudden Cardiac Arrest (SCA) emergencies annually on or before the anniversary of receipt of the Grant AED.
- 3. The receiving agency/institution shall obtain a physician's prescription for use of any/all AEDs provided.
- 4. The receiving agency/institution shall obtain medical oversight of its EMS/AED program/protocols.
- 5. The agency/institution shall notify local EMS of AED(s) placement.
- 6. Upon request, the agency/institution shall provide local EMS and/or the affected patient's physician with all save/save attempt data each time the Grant AED is utilized.
- 7. The agency/institution shall ensure that a CPR/AED certified employee is available to perform CPR/AED should the need arise. The MHB offers CPR/AED certification at no charge for Mesquite residents.
- 8. The agency/institution shall maintain the Grant AED according to the manufacturer's instructions including periodic checks to ensure proper function.
- 9. The agency/institution shall ensure batteries and electrodes are updated prior to expiration of the batteries and/or electrodes.

Once the Grant AED is received by the agency/institution, the MHB relinquishes all control and/or responsibility for AED maintenance and/or function. The Grant AED becomes the sole responsibility of the receiving agency/institution.
